Important notes

• No prices are included, as requested.

• The current/recent section is not a guarantee that every listed model or variant is in stock at every dealer.

• Some names and engine capacities differ by generation and model year. Older model specifications are shown as commonly reported reference values.

• Harley-Davidson X440 models are included because they are developed and sold in partnership with Hero MotoCorp in India.

• VIDA electric scooters do not have petrol-engine displacement, so cc does not apply.

• For purchase or registration decisions, verify the exact variant and specification through Hero MotoCorp's official website or an authorised dealer.
