Important notes

- No prices are included, as requested.
- The current/recent list is a reference, not a guarantee that every model or variant is in stock at every dealer.
- Some models listed under announced products may not yet be on sale in India.
- Older model capacities can vary by model year and generation.
- Electric scooters do not have petrol-engine displacement, so CC is not applicable.
- For the latest confirmed lineup, consult Honda Motorcycle & Scooter India or an authorised dealer.
